Answers To Your Questions About Coverage From Standard Insurance Company

About This Booklet

This booklet is designed to answer some common questions about the group Additional Life insurance coverage being offered by your employer to eligible employees. It is not intended to provide a detailed description of the coverage.

If you become insured, you will receive a group insurance certificate containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy issued by Standard Insurance Company. Neither the certificate nor the information presented in this booklet modifies the group policy or the insurance coverage in any way. If you have additional questions, please contact your human resources representative.

Features of the group Additional Life coverage may vary by state.

Group Additional Life Insurance

It's not easy to think about, but what if you suddenly died? Your family could be faced with house payments, unpaid bills, childcare and other expenses just to maintain their current lifestyle. Could your family live without your income? Would your family be able to cover the medical expenses associated with a terminal illness or with burial and funeral expenses?

You make a great investment in your family. You spend time with them. You care for them. You work for them. And if you're not there for them, you want them protected. Your employer provides you with a basic amount of Group Life insurance to help protect your loved ones in the event of your death. Since every employee's needs are different, your employer also provides you with the opportunity to apply for Additional Life insurance from The Standard.

The advantages to you and your loved ones include:

- **Choice.** You decide how much coverage you need from the range of amounts available.
- **Flexibility.** If your needs change, you can request to change the amount of coverage. Increases in coverage require evidence of insurability.
- **Convenience.** With premiums deducted directly from your paycheck, you don't have to worry about mailing monthly payments.
- **Savings.** Typically, group insurance rates are lower than the rates of individual insurance plans, generally providing you with coverage at a lower cost.
- **Peace of Mind.** You can take comfort and satisfaction in knowing that you have done something positive for your family's future.

Commonly Asked Questions

The following information provides details to give you a better understanding of group Additional Life insurance available from The Standard.

Am I eligible for this coverage?

To be eligible for this plan, you must be:

- Insured for basic Group Life coverage with The Standard.
- Enrolled in the Employer's medical plan
- An academic and professional employee with an individual contract under the authority of the Board of Regents which provides for eligibility; or
- A permanent full-time, part-time or job-share employee of the Employer scheduled to work more than six months in any twelve month period who is actively at work at least 20 hours each week; or
- A temporary employee who is a) regularly scheduled to be actively at work 20 hours or more per week for more than six months in a year; or b) actively at work at least 20 hours each week for a continuous period of more than six months, although not regularly scheduled to do so; or c) covered under a labor union contract which provides for eligibility.
- Your spouse or children must not be full-time members of the armed forces of any country.

When does my insurance go into effect?

The effective date of your coverage depends on when you become an eligible member, when you apply and whether you are required to provide evidence of insurability.

If you are not required to provide evidence of insurability, if you apply and agree to pay premiums, your Additional Life coverage becomes effective on:

- The date you become eligible if you apply on or before that date, or the date you apply if you apply within 63 days after you become eligible;
- The date of your Family Status Change if you apply on or before that date, or the date you apply if you apply within 63 days of your Family Status Change; or
- The July 1 following the date you apply if you apply during the Employer's Annual Enrollment Period.

If you are required to provide evidence of insurability, if you apply and agree to pay premiums, your Additional Life coverage becomes effective on the date The Standard approves your evidence of insurability.

In every case, you must meet the active work requirement before your insurance becomes effective.

What is the active work requirement?

Active work means performing with reasonable continuity, the material duties of your own occupation at your employer's usual place of business. You must be capable of active work on the day before the scheduled effective date of your insurance or your insurance will not become effective as scheduled. If you are not actively at work on the day before the scheduled effective date of insurance including Dependents Life insurance, your insurance will not become effective until the day after you complete 1 full day of active work as an eligible employee.

How much Basic Life and AD&D coverage is available to me?

Basic Life and AD&D Insurance

Montana University System provides eligible employees a choice of \$15,000, \$30,000 or \$48,000 of Basic Life and Accidental Death & Dismemberment coverage through The Standard. If you don't enroll for the Basic Life and AD&D coverage, you will automatically be covered for \$15,000. The Basic Life and Accidental Death & Dismemberment plan is fully paid by Montana University System.

This Basic Life plan also includes AD&D insurance from The Standard. With AD&D insurance, you or your beneficiaries may be eligible to receive an additional amount in the event of death or dismemberment as a result of an accident.

The amount of the Basic AD&D insurance benefit for loss of life is equal to the amount payable for Basic Life insurance coverage on the date of the accident.

The amount of AD&D insurance benefit for other covered losses is a percentage of the amount payable for AD&D coverage on the date of the accident, as shown below:

Loss	Percentage Payable
One hand or one foot	50%
Sight in one eye	50%
Two or more losses listed above	100%
Thumb and index finger on the same hand	25%
Quadriplegia	100%
Hemiplegia	50%
Paraplegia	50%

The loss must occur due to an accident and independently of all other causes, within 365 days after the accident. Loss of life must be evidenced by a certified copy of the death certificate. All other losses must be certified by a physician in the appropriate specialty as determined by The Standard.

How much Additional Life Insurance may I get for myself?

Eligible employees may elect Additional Life coverage (Plan 2) in units of \$25,000, to a maximum of \$600,000.

Late applications, applications above the \$300,000 Guarantee Issue Amount, and requests for coverage increases will be subject to medical underwriting approval. However, medical underwriting approval will be waived as follows:

- If you apply for \$25,000 of Additional Life coverage (Plan 2) during the annual enrollment period, or within 63 days of a Family Status Change.
- If you are currently insured for Additional Life coverage (Plan 2) and you apply for a \$25,000 increase, not to exceed the Guarantee Issue Amount, during the annual enrollment period or within 63 days of a Family Status Change.

How much coverage may I get for my spouse and children?

This plan also includes Dependents Life Insurance from The Standard.

If you are insured under Additional Life Insurance, you may apply for Dependents Life Insurance as follows:

Spouse: You may apply for Dependents Life Insurance for your Spouse in multiples of \$25,000, from \$25,000 to the lesser of 50% of your Plan 2 Life Insurance and \$300,000.

For Spouse coverage, all late applications and requests for coverage above the \$50,000 Guarantee Issue Amount will be subject to medical underwriting approval. In the event of a Family Status change, you may increase Spouse Life by one increment without medical underwriting approval, as long as the total benefit amount does not exceed the \$50,000 Guarantee Issue Amount.

Child: You may apply for Dependents Life Insurance for your Child in multiples of \$5,000, from \$5,000 to the maximum of \$30,000. The amount of Dependents Life Insurance for your Child may not exceed 100% of the amount of your Plan 1 and Plan 2 Life Insurance.

Evidence Of Insurability is never required for a Child.

How do I apply for Additional Life insurance coverage?

To apply for Additional Life insurance, complete the Enrollment Form in your enrollment packet, place it in a confidential envelope and submit it to your human resources department. You can apply at any time, but remember if you apply more than 63 days after becoming eligible, satisfactory evidence of insurability is required. Coverage subject to evidence of insurability is not effective until approved by The Standard.

How are benefits paid?

For amounts of less than \$25,000, The Standard issues a check to each designated beneficiary. The Standard pays amounts of \$25,000 or more to each designated beneficiary by depositing funds into Standard Secure Access — a convenient, no fee, interest-bearing draft account.

With Standard Secure Access, each beneficiary receives a personalized checkbook and has complete control of the account. Beneficiaries can write checks as needed or for the full amount. This arrangement allows beneficiaries to earn competitive interest rates on their benefits while they take the necessary time to consider financial decisions and evaluate their choices.

Will insurance benefits be reduced as I grow older?

There are no reductions in insurance due to age.

What happens if I become totally disabled and can't work?

The Standard will continue your Additional Life insurance without premium payments if you:

- Become totally disabled while insured under the group policy
- Are under the age of 60
- Complete the waiting period of 180 days
- Provide The Standard with satisfactory proof of total disability

The Waiver of Premium provision does not apply to AD&D insurance.

What happens if I become terminally ill?

Under the Accelerated Benefit provision, you or your dependent spouse may be eligible to receive up to 75 percent, or a maximum of \$500,000, of your Additional Life insurance coverage if you become terminally ill, have a life expectancy of less than 24 months and meet other eligibility requirements, including but not limited to, being insured for at least \$10,000.

This benefit allows you to use the proceeds as you desire — whether to cover medical expenses or to maintain your quality of life. The amount of Additional Life insurance payable upon your or your spouse's death is reduced by the Accelerated Benefit paid and an interest charge. However, to help protect your beneficiaries, The Standard will pay at least 10 percent of the original Additional Life coverage amount at that time even if interest charges on the accelerated amount would have exhausted the remaining benefits over time.

¹This benefit is not available in Illinois, Maryland or Virginia.

Are there any other benefits with Additional Life coverage from The Standard?

The Standard pays an additional benefit, the Repatriation Benefit, if you die more than 200 miles from your primary place of residence. The Standard will pay for expenses, up to a benefit maximum, incurred to transport your body to a mortuary near your primary place of residence.¹
