

## 2019-2020 MONTANA UNIVERSITY SYSTEM *CHOICES* RETIREE ENROLLMENT FORM

**Eligibility:** A person retiring from any unit of the Montana University System (MUS), including the Office of the Commissioner of Higher Education or other agency or organization affiliated with MUS or the Board of Regents of Higher Education, may continue certain group insurance benefits as described below. To be eligible as a Retiree, the individual must be eligible to receive a retirement benefit from the MT Teachers Retirement System or the MT Public Employees Retirement System at the time he/she leaves employment with the MUS. Retirees who are in the MUS Retirement Plan (TIAA) or any other defined contribution plan must have worked five or more years and be age 50 or must have worked 25 years with the MUS to be eligible for Retiree insurance benefits. It does not matter whether the Retiree decides to actually draw a monthly benefit; elects the defined benefit lump sum distribution; or postpones withdrawal of retirement benefits.

**Continuation of Coverage:** An eligible Retiree must make arrangements with his/her campus Human Resources/Benefits office to continue coverage as a Retiree on a self-pay basis within 63 days of retirement. **There is no Employer contribution toward Retiree benefits.** The right to continue coverage under the Plan is a one-time opportunity. **Retirees who fail to continue coverage within 63 days of retiring or who allow coverage to lapse due to nonpayment of premium may not later rejoin the plan.**

**Dependent Coverage Options:** Continuing existing Medical, Dental, and/or Vision Hardware coverage for dependents is optional, but Retirees must elect to continue existing Medical, Dental, and/or Vision Hardware coverage for dependent(s) within the 63-day enrollment period after active employee coverage ends. New dependents can be added to existing Medical, Dental, and/or Vision Hardware plans if the request is made within 63 days of a qualifying event (marriage, birth, adoption, legal guardianship, qualifying dependent). Existing dependents can only be added to Medical, Dental, and/or Vision Hardware if they are losing eligibility for other group coverage or if there is a substantial decrease in the level of existing coverage, as determined on an individual basis by the campus HR/Benefits office and if the request is made within 63 days of the termination/change of the other coverage.

### Available Coverages

**Medical Coverage:** Enrollment in a Medical Plan is available to Retirees (and their dependents, if desired). Coverage is permanently forfeited if the Retiree cancels medical coverage, or fails to pay premiums.

**Dental Coverage:** Select Dental Plan (only) is available to Retirees (and their dependents, if desired). Retirees **MUST** have enrolled within 63 days of the end of their active employee coverage, or within 63 days of a qualifying event (a spouse reaching age 65 is not a qualifying event for reenrollment in dental). Coverage is permanently forfeited if the Retiree cancels dental coverage, or fails to pay premiums.

**Vision Hardware Coverage:** The Vision Hardware Plan is for vision hardware only. Eye exams, whether preventive or medical, are covered under the medical benefit plan. More information can be found within the CHOICES workbooks. Retirees **MUST** have enrolled within 63 days of the end of their active employee coverage, or within 63 days of a qualifying event (a spouse reaching age 65 is not a qualifying event for reenrollment in vision hardware). Coverage is permanently forfeited if the Retiree cancels vision hardware coverage, or fails to pay premiums.

**Life Insurance:** Continuation of MUS-sponsored Life Insurance is not available for Retirees. However, you may have the option of converting to an individual term life policy under the terms of our Standard Insurance Company contract. Please see your campus HR/Benefits office for conversion information at the time of your retirement.

**Long Term Care Insurance:** If you have Long Term Care Insurance through UNUM, contact your campus HR/Benefits office for conversion information within 30 days of retirement. Current Retirees can add Long Term Care Insurance with medical underwriting at any time. Medical underwriting means that UNUM can reject an application or increase rates due to issues such as preexisting medical conditions.
