The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage or costs, visit www.choices.mus.edu or call 1-877-501-1722. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, visit www.dol.gov/ebsa/pdf/SBCUniformGlossary.pdf or call 1-877-501-1722 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$750/Individual or $1,500/Family In-Network	You must pay all of the costs from providers up to the deductible amount before the plan begins to pay for these services. Deductible applies to all services, unless otherwise indicated, or a copayment applies.
Are there services covered before you meet your deductible?	Yes. Preventive care, primary care, and specialist office visit services are covered before you meet your deductible.	The plan covers some services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	$750/Individual or $1,750/Family Out-of-Network	You must pay all of the costs from out-of-network providers up to the deductible amount before the plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	$4,000/Individual or $8,000/Family In-Network $6,000/Individual or $12,000/Family Out-of-Network	The out-of-pocket limit is the most you could pay in a benefit period for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out–of–pocket limit.
Will you pay less if you use a network provider?	Yes. Visit www.abpmtpa.com/mus or call 1-877-778-8600 for a list of network providers.	You will pay less if you use a network provider. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see a specialist without a referral or permission from the plan.

 All **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Your Rights to Continue Coverage: If you lose coverage under the plan, then, depending upon the circumstances, Federal and State laws may provide protections that allow you to keep health coverage. Any such rights may be limited in duration and will require you to pay a **premium**, which may be significantly higher than the premium you pay while covered under the plan. Other limitations on your rights to continue coverage may also apply.

You can keep this coverage as long as your premiums are paid, unless your employment terminates, or hours worked drop below 20. If you have no other coverage, you can choose to keep this coverage by electing COBRA (Consolidated Omnibus Budget Reconciliation Act). See your campus Human Resources/Benefits office for rules regarding election of COBRA benefits and making premium payments.

For more information on your rights to continue coverage, contact the plan at 1-877-501-1722.

Other coverage options may be available to you too, including buying individual insurance coverage through the Health Insurance Marketplace. For more information about the Marketplace, visit www.HealthCare.gov or call 1-800-318-2596.

Your Grievance and Appeals Rights: If you have a complaint or are dissatisfied with a denial of coverage for claims under your plan, you may be able to appeal or file a grievance. For more information about your rights, look at the explanation of benefits you will receive for that medical claim. Your plan documents also provide complete information to submit a claim, appeal, or a grievance for any reason to your plan. For more information about your rights, this notice, or assistance, contact: Allegiance at 1-877-778-8600 or MUS Employee Benefits at 1-877-501-1722.
