MUS is a Self-Funded Plan – What does this mean?

- All MUS benefit plans (medical, prescription drug, dental, vision hardware, and flexible spending accounts) are self-insured (self-funded).

- Premium contributions go directly into a fund, which is used to pay the cost of benefits for MUS Plan participants who experience illness or injury.

- To keep the Plan financially sound and affordable, it is important that all Plan participants use their benefits responsibly.

- Plan Participants are expected to pay a portion of their medical costs in the form of annual deductibles, percentage coinsurance, and/or flat dollar copayments.

- These cost-containment features are part of the MUS Plan design, so Plan funds will be available should a high-cost medical emergency or a catastrophic illness strike a Plan participant.

Retiree Prescription Drug Plan cont.

➢ Medicare Retirees will continue to be enrolled in the Navitus MedicareRx Part D prescription drug plan.

➢ Medicare Retirees **must** be enrolled in Medicare Parts A & B and **CANNOT** be enrolled in another Medicare Part D plan. If you are not enrolled in Medicare Parts A & B, **you will be disenrolled from the MUS Medical Plan**.

➢ MUS Medicare primary Retiree Plan members **CANNOT** be covered on another MUS Medicare primary Retiree Plan as a spouse (dual enrollment).

➢ Navitus MedicareRx eligible members are enrolled as an individual, not as a family.

➢ **Split family**- Medicare eligible members are enrolled in the MedicareRx Plan and non-Medicare eligible members are enrolled in the Commercial Plan.

➢ Accumulations for MedicareRx members are on a calendar year basis (January 1-December 31).

➢ The Navitus opt-out period will be October 12-October 29, 2021. If you opt-out of Navitus, **you will be disenrolled from the MUS Medical Plan**.
Copay Max creates a benefit design that leverages copay assistance cards to reduce both member and Plan costs.

- This is **only** for certain specialty medications purchased via Lumicera specialty pharmacy.
- This is **only** available to Commercial Plan enrollees (employees & Non-Medicare retirees).

***This is not applicable to MedicareRx members.***

The specialty copay assistance program is for certain specialty drugs included in the specialty tier and dispensed only through the specialty pharmacy, Lumicera. This program will properly manage expenses for eligible specialty medications while lowering the Plan’s overall cost if copay assistance is available. Under the program, these specialty medications are subject to a coinsurance of 30%. However, this program will cap the patient total payment at $0 after utilization of available copay assistance. Only the amount paid out-of-pocket will apply to the out-of-pocket maximum. If a specialty drug does not qualify or is removed from the program, the copay will default to the formulary’s current tiered copay.

High Quality, Lower Cost
At a BDC or a BDC+ facility, you may get a better outcome and may have lower out-of-pocket costs. Although your plan may require you to get treatment at a BDC or BDC+ facility, you may still be covered at a non-BDC facility, but your out-of-pocket costs will usually be higher.

Nationwide Access
There are approximately 1,900 BDCs nationwide. To find a BDC near you, log in to Blue Access for Members℠ (BAM℠) at bcbsmt.com/member. To register for a BAM account, all you need are your group and identification numbers, found on your member ID card. BAM is secure and easy to use. When you search for providers in BAM, it will take you directly to network providers only.

By logging in to BAM you can also use Provider Finder® to:
• Estimate the cost of up to 1,600 procedures, treatments and tests, including your out-of-pocket expenses.
• View patient reviews.
• See how industry experts rate your doctor.
• Review providers’ certifications and recognitions.
• Rate your doctor or hospital after your visit.

For basic provider searches, you can also access Provider Finder without logging in to BAM. Just visit bcbsmt.com and click on the Find a Doctor or Hospital tab.
Or, download the BCBSMT app at the App Store or Google Play.

If you need help finding a network provider or have questions about your benefits, call the toll-free number on the back of your ID card.
