MONTANA UNIVERSITY SYSTEM

2010-2011

Enrollment Workbook

You have the option to waive coverage with the Montana University System plan. You must sign the enrollment form stating you are waiving coverage and turn the form into your campus Human Resources Office. If you do not sign or turn in an enrollment form you will default, (see default coverage below). However, Optional Reimbursement Accounts do not continue without a new election.

If you waive coverage:

- You forfeit the state share employers portion of your benefit coverage,
- You waive all Choices options including medical, dental, life/AD & D, and LTD,
- You cannot enroll until open enrollment for the next plan year or until you have a qualifying event and;
- A waiting period for coverage of pre-existing conditions will apply if you did not have prior coverage or if there was a break of more than 63 days between the termination of your prior coverage and your effective date on this policy.

If you do not sign or turn in an enrollment form, your default coverage is:

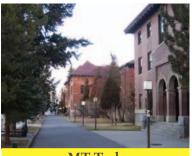

- Existing employees during open enrollment default to present elections.
- New employees who do not enroll during the initial 31 day enrollment period default to:
 - 1) Employee Only Plan B
 - 2) Employee Only Basic Dental
 - 3) \$10,000 Basic Life Insurance/AD & D
 - 4) Long Term Disability Option 1 (60% of pay/180 day waiting period)

Waiver of Coverage Does Not Entitle the Employee to the Employer Contribution

Introduction to Choices

This workbook is your guide to Choices – Montana University System's benefits program that lets you match your benefits to your individual and family situation. To get the most out of this opportunity to design your own benefits package, you need to consider your benefits needs, compare them to the options available under Choices and enroll for the benefits you've chosen. Coverage available to you includes:

Must Choose:*

Voluntary:

Medical
 Dental
 Dong Term Disability
 Basic Life Insurance and AD&D
 Optional Reimbursement Accounts
 Optional Vision
 Long Term Care

* Unless you waive all coverage

Please read the information in this workbook carefully. If you have any questions, please contact your campus Human Resources Department. This enrollment book is not a guarantee of benefits; please consult your group benefit plan booklets. (Summary Plan Descriptions)

.

Who's Eligible

A person employed by a unit of the University System, Office of the Commissioner of Higher Education, or other agency or organization affiliated with the University System or the Board of Regents of Higher Education is eligible to enroll in the Employee Benefits Plan if qualified under one of the following categories:

- 1. Permanent faculty or professional staff members regularly scheduled to work at least 20 hours per week or 40 hours over two weeks for a continuous period of more than six months in a 12-month period.
- 2. Temporary faculty or professional staff members scheduled to work at least 20 hours per week or 40 hours over two weeks for a continuous period of six months or more, or who actually do so regardless of schedule.
- 3. Seasonal faculty or professional staff members regularly scheduled to work at least 20 hours per week or 40 hours over two weeks for a continuous period of six months or more, or who actually do so regardless of schedule.
- 4. Academic or professional employees with an individual contract under the authority of the Board of Regents which provides for eligibility under one of the above requirements.

Note:

Student employees who occupy positions designated as student positions by a campus are not eligible to join the Plan. If you're eligible, you may also enroll your family for certain benefits under Choices, including medical, dental, vision, life insurance and AD&D coverage. Eligible family members include your:

- •Legal spouse, as defined under Montana law, or one other unrelated adult dependent as defined in the Summary Plan Description. To enroll an adult dependent other than a spouse, you will need to obtain criteria from your campus Human Resources Office and complete a Declaration of Adult Dependent form, also available there.
- •Unmarried dependent children under age 25. Children include your natural children, stepchildren, and children placed in your home for adoption before age 18 or for whom you have court-ordered custody or you are the legal guardian.
- •Coverage may continue past age 25 for an unmarried dependent child who is mentally or physically disabled and incapable of self-support.

How Choices Works

How to Enroll

- 1. Each eligible faculty and/or staff member receives a monthly employer contribution. This amount is based on the Montana State legislature's allocation toward the cost of benefits for state employees.
- 2. Within 30 days of first becoming eligible for benefits, or during annual enrollment each year, you select or make changes from among the benefit plan options.
- 3. Each benefit option in Choices has a monthly cost associated with it. These costs are shown on your enrollment form or in this Enrollment Workbook.
- 4. Complete an enrollment form. If you have questions about the enrollment process, please contact your campus Human Resources department.
- 5. The enrollment form will walk you through your coverage options and monthly costs. To determine the before-tax cost of your benefits, add up the total cost of the benefits you've selected and compare it to the employer contribution provided to you by the Montana University System.

If the benefits you choose cost ...

- The same as your employer contribution, you won't see any change in your paycheck.
- More than your employer contribution, you'll pay the difference through automatic payroll deductions.
- Less than your employer contribution, you'll either forfeit the remaining employer contribution or you may apply it to a Flexible Spending Account in your name.

Your annual Choices elections remain in effect for the entire plan benefit period following enrollment, unless you have a change in status (qualifying event). Listed here are examples of qualifying events:

■ Marriage

- Birth of a child
- Adoption of a child
- ■Loss of eligibility for other health insurance coverage

All questions about qualifying events should be directed to your campus Human Resources Office.

Keep in Mind

The Montana University System offers a Dependent Premium Waiver Program to eligible employees. This waiver is designed to make coverage more affordable for dependent children. Please refer to page 31 of this workbook for eligibility, plan details, and waiver amounts.

Notices for *Choices*_{Coverage}

Under a federal law known as the Health Insurance Portability and Accountability Act of 1996 (HIPAA), Public Law 104-191, as amended, group health plans must generally comply with the requirements listed below. However, the law also permits state and local governmental employers that sponsor health plans to elect to exempt a plan from these requirements for any part of the plan that is "self-funded" by the employer, rather than provided through a health insurance policy. The Montana University System (MUS) Employee Group Benefit Plan, which is a non-federal, self-funded plan, has elected to exempt MUS from #5 and #7 of the following requirements:

- 1. Limitations on preexisting condition exclusion periods.
- 2. Special enrollment periods.
- 3. Prohibitions against discriminating against individual participants and beneficiaries based on health status.
- 4. Standards relating to benefits for mothers and newborns.
- 5. Parity in the application of certain limits to mental health benefits.
- 6. Required coverage for reconstructive surgery following mastectomies.
- 7. Coverage of dependent students on medically necessary leave of absence.

The exemption from these federal requirements will be in effect for the FY 2011 Plan Year which begins July 1, 2010 and ends June 30, 2011. The election may be renewed for subsequent plan years.

The MUS Plan presently provides dependent coverage independent of student status.

HIPAA also requires the Plan to provide covered employees and dependents with "certificate of creditable coverage" when they cease to be covered under the Plan. There is no exemption from this requirement. The certificate provides evidence that you were covered under this Plan, because if you can establish your prior coverage, you may be entitled to certain rights to reduce or eliminate a preexisting condition exclusion of you joining another employer's health plan, or if you wish to purchase an individual health insurance policy. Please contact your chosen health plan administrator identified on your MUS insurance card for more information regarding a certification of creditable coverage.

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED.

The Montana University System self-insured employee health benefit plan has a duty to safeguard and protect the privacy of all plan members' personally identifiable health information that is created, maintained, sent or received by plan employees or persons under our control.

The Montana University System self-insured health plan has contracts with multiple business associates. Business associates do claims processing and perform other health-related services associated with the plan such as counseling, psychological services and pharmaceutical services, etc. The MUS self-insured plans business associates and health care provider(s) must also protect a plan member's personally identifiable health information from inadvertent, improper or illegal disclosure.

The Montana University System self-insured health plan, in administering plan benefits shares, and receives personally identifiable medical information concerning plan members as required by law and for routine transactions concerning eligibility, treatment, payment(s), wellness program (including WellChecks), disease management programs (i.e. TLC, Take Control, etc.) healthcare operations, claims processing, including review of payments or claims denied and appeals of payments or claims denied, premiums paid, liens and other reimbursements, health care fraud and abuse detection and compliance. Information concerning those areas may be shared between MUS authorized benefit employees, their supervisors and our business associate(s), members' provider(s) or legally authorized governmental entities without a member's written consent.

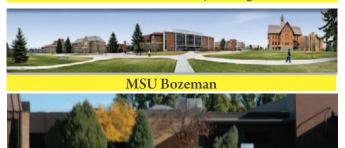

Full HIPAA Policy Available on Web Site or by contacting Campus HR.

Working Families Tax Relief Act

The definition of Dependent has changed in the tax law. The eligibility for enrollment of dependents in a Montana University System health plan may differ from the eligibility for tax-free health coverage under the new tax law. This means that you may continue to enroll all eligible dependents in MUS health insurance plans, but some of your premium costs may be taxable, depending on family circumstances. In addition, eligibility for dependent coverage under the Flexible Spending Accounts may differ from eligibility for coverage under our health plans. If you have a medical Flex account, our Flex Plan Administrator will closely examine your reimbursement claims to ensure they are for dependents who are eligible under current tax law. For more information, you may access details at http://mus.edu/choices/info.asp.

Self Audit Award Program

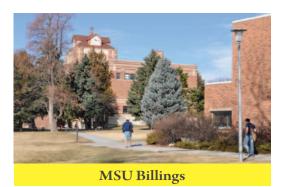

Be sure to check all bills from your medical providers to ensure charges have not been duplicated or billed for services you did not receive. When you detect billing errors that result in a claims adjustment, the plan will share the savings with you! You may receive an award of 50 percent of the savings, up to a maximum of \$1,000.00.

The Self Audit Award Program is available to all plan members who identify medical billing errors which:

- Have not already been detected by the Plan's claims administrator or reported by the provider;
- Involve charges which are allowable and covered by the MUS Group Health Plan; and
- Total \$50 or more in errant charges.

To receive the self-audit award, the member must:

- Notify the claims administrator of the error before it is detected by the administrator or the health care provider;
- Contact the provider to verify the error and work out the correct billing;
- Have copies of the correct billing sent to the claims administrator for verification, claims adjustment and calculation of the self-audit award.

Your Medical Plan Choices

Choices gives you the opportunity to choose from two traditional plans and up to four managed care plans (depending on availability in your area):

Traditional Plans

- □ Traditional Plan A \$450 Deductible (available everywhere)
- □ Traditional Plan B \$650 Deductible (available everywhere)

Note – The Traditional Plans cover the same services and have:

- ☐ An annual deductible the amount you pay each benefit year before the plan begins to pay (\$450 or \$650, depending on which plan you choose)
- Coinsurance a percentage of allowable fees you pay until you reach the benefit year's coinsurance maximum (the maximum is higher for Plan B)
- In-Network providers Providers (including facilities) who contract with the plan administrator to deliver care according to agreed upon prices.
- Plan A Network providers You pay 25% coinsurance for services of an in-network provider; and 35% for a non-network provider. Also, for services from an out-of-network provider in Plan A, you have a separate deductible and coinsurance maximum. Outof-network providers can also balance bill you for any difference between their charge and the allowance.

Managed Care Plans*

- Blue Choice Managed Care Plan (available in limited towns and zip codes).
- New West Managed Care Plan (available in limited towns and zip codes)
- PEAK Managed Care Plan (available in limited towns and zip codes)
- □ Allegiance Managed Care Plan (available in limited towns and zip codes)

*Emergency services are covered everywhere. However, out of network providers may balance bill the difference between allowance and charge.

Note - The Managed Care Plans cover the same services and have:

- Network Providers Providers who have contracted with the managed care plan to manage and deliver care at agreed upon prices. Members may self-refer to In-Network providers and specialists.
- Better benefits for services received In-Network than for services Out-of-Network – You pay a \$15 copayment for most visits to In-Network providers (no deductible) and 25% (after deductible) for most In-Network hospital/ facility services. You pay 35% of allowable fees (after a separate deductible) for most services received Outof-Network. Out-of-network providers may balance bill the difference between their charge and the allowance.

Note: There is a 2 million dollar individual lifetime maximum and 4 million dollar family lifetime maximum for reimbursement on the MUS group plan.

There is no deductible for Prescription Drugs in 2010

AT-A-GLANCE

WHAT IS URx?

URx is a prescription drug management program developed by the Montana University System. URx used the prescription process as a mechanism to manage overall care of a member by focusing on producing better clinical outcomes by making sure members get the best drug to treat their condition.

HOW DOES URx WORK?

One component of the **URx** program is the Pharmacy & Therapeutics Committee (PTAC). Under the Montana University System's oversight, this committee is responsible for evaluating drugs based on their proven clinical results. The PTAC committee is charged with developing the formulary (the list of preferred drugs covered by the plan) that will make the most effective drugs the least expensive to the member, regardless of the drug's actual cost.

With **URx** there will be no deductible and Class A, B, and C prescriptions will accumulate toward an out-of-pocket maximum.

WHO IS ELIGIBLE?

The Prescription Drug Plan is a benefit for all benefits eligible Montana University System employees, Retirees, and COBRA members and their eligible dependents. Any member enrolled in a medical insurance plan will automatically receive this plan. There is no separate premium for this plan.

PRESCRIPTION OPTIONS

Prescription drugs may be obtained through the plan at either a local pharmacy (30 day supply) or a mail-order pharmacy (90 day supply). Members who use maintenance medications can experience significant savings by utilizing a mail order pharmacy.

Under **URx**, the plan's adminsitrative responsibilities are divided among four vendors:

MedImpact will be the pharmacy benefit administrator. MedImpact will serve as the claims processor. They will have a dedicated customer service telephone line for the Montana University System to answer any questions that you may have regarding your benefits or claims processing.

MedVantx and **Ridgeway** will administer the mailorder drug program. MedVantx and Ridgeway will provide mail-order pharmacy services to plan members, based on **URx** pricing and plan design.

SPECIALTY PHARMACY

Diplomat Specialty Pharmacy, 1-877-319-6337, is the new administrator of the specialty pharmacy program. Diplomat will provide assistance and resources to members who are prescribed high dollar oral, intravenous, or injectable medications.

URx Disease Management Programs

Enrolling in one of the **URx** disease management programs will allow eligible Plan members to receive information, support, assistance with medications, and case management services.

URx Specialty Drug Program

SPECIALTY DRUGS:

Specialty drugs are defined as high cost prescription drugs that may require special handling and/or administration to treat chronic, complex conditions. These drugs may be taken orally but often are injectables with complex manufacturing process or may be limited distribution status.

The URx Specialty Drug program offers a variety of medications at \$0 copay. Other Specialty Drugs are available through the URx specialty program with a \$150 copay.

If members prefer to receive specialty drugs at retail pharmacies (if available), then the copay is 50% of the total cost of the drug.

Some drugs are limited distribution drugs and may not be available at Diplomat. For these prescriptions, Diplomat will transfer them to specialty pharmacies that are able to dispense these drugs.

Because of the complexity of the medical condition, many of these drugs will require PA to ensure appropriate use and to maximize the effectiveness of the drug by encouraging careful adherence to treatment protocols.

Diplomat Specialty Pharmacy is the chosen provider for specialty drug services. To enroll or for any questions regarding the specialty drug program, please contact Diplomat at 1-877-319-6337.

URx Drug Classification (Based on medical evidence of impact to health and overall net cost)	Drug Class	Deductible	Retail Rx (30-day supply)	Mail Rx (90-day supply)
Excellent level of value based on best medical evidence, best opportunity for improved health outcomes via disease management, and best overall net cost.	Tier A	\$0	\$0 Copayment †	\$0 Copayment †
High level of value based on medical evidence of outcomes and lower overall net cost savings. Includes generic and brand drugs compared to higher cost brand name counterparts.	Tier B	\$0	\$15 Copayment †	\$30 Copayment †
<u>Good level of value</u> based on fair medical evidence grading, but displaying higher overall net cost relative to generic counterparts and less expensive brand name drug or clinical alternatives.	Tier C	\$0	\$40 Copayment †	\$80 Copayment †
Lower level of value based on evidence of outcomes relative to other clinical alternatives. Generally have much higher overall net costs. [Coinsurance is calculated on the discounted cost of drugs. Discounts have been negotiated for most drugs purchased through URx.]	Tier D	\$0	50% Coinsurance †* (You will pay half of the discounted price)	50% Coinsurance †* (You will pay half of the discounted price)
These drugs have <u>the lowest level of value</u> (based on clinical evidence) or the highest overall net cost in relation to generic or other brand alternatives. Tier F drugs may also include drugs that were not previously covered, allowing members to purchase them at a substantial discount. <i>[Coinsurance is calculated on the discounted</i>]	Tier F	\$0	100% Coinsurance †* (You will pay 100% of the discounted price)	100% Coinsurance †* (You will pay 100% of the discounted price)
If you take a specialty drug, you are encouraged to use the URx Specialty Pharmacy program to qualify for a \$150 copayment. If you fill your prescription at a retail pharmacy, you will have to pay 50% coinsurance. Specialty drugs are not covered through the mail-order program. Certain <u>preferred</u> specialty drugs will be available at no cost to the member through the URx Specialty Pharmacy program.	Tier S	\$0	50% Coinsurance †* if purchased through standard retail pharmacy	Not Covered

*The amounts you pay in these categories do not count toward your annual out-of-pocket prescription maximum. † A copayment is a flat dollar amount you pay for Rx services. Coinsurance is a percentage of the total discounted cost you pay for Rx services.

A copayment is a flat dollar amount you pay for Rx services. Coinsurance is a percentage of the total discounted prices you pay for Rx services. Coinsurance is calculated on the discounted cost of drugs. WHAT CLASS ARE YOU IN?

What grade would you get when it comes to ordering your prescription drugs? Would you get an A, B, or F? Most people don't realize that just because a drug costs more...doesn't mean it's better. Drug manufacturers spend billions of dollars each year on advertising - so if you see six commercials for a particular drug, that drug may cost you a lot! Currently the Montana University System plan spends more on prescription drugs than on doctor visits!

HOW DO I DETERMINE WHAT CLASS MY DRUG IS?

You can look up which class your drug is at www.urx.mus.edu or by calling Montana University System Benefits. If you are unsatisfied with the class or the 'grade' your drug(s) makes, other therapeutically equivalent drugs that are more cost effective will be displayed that you can discuss with your physician.

We encourage you to take this information to your physician to determine if you are able to use the therapeutically equivalent drug.

WHAT DOES IT MEAN THAT MOST DRUGS ARE COVERED?

The Montana University System's Pharmacy Benefit Administrator negotiates discounts with pharmaceutical companies. These discounts will be passed on to you regardless of the class of your drug. All drugs, including those that were formerly not covered, will have a discount. This savings will be passed on to you as a member of the Montana University System benefit plan.

Choices offers two Dental plan options:

Premium Plan
 Basic Plan

As you decide between these dental plans, keep in mind that the Dental plan is now an annual enrollment benefit and your election will remain in effect until the next annual enrollment (unless you have a change in status).

The two Choices Dental plans have different monthly premiums and different benefits

Your Orthodontic Benefits

The Choices Premium Plan provides a \$1,500 lifetime orthodontic benefit per covered individual. Benefits are paid at 50% of the allowable charge for authorized services. Treatment plans usually include an initial down payment and ongoing monthly fees. If an initial down payment is required, Choices will pay up to 50% of the initial payment, up to 1/3 of the total treatment charge. In addition, Delta Dental (our dental plan administrator) will establish a monthly reimbursement based on your provider's monthly fee and your prescribed treatment plan.

Schedule of Benefits

Dental claims are reimbursed based on a Schedule of Benefits. The following subsets of the Premium and Basic Plan Schedules include the most commonly-used procedure codes. Please note, the Basic Plan provides coverage for a limited range of services including diagnostic, preventive, and extractions of impacted teeth. The Schedule dollar amount is the maximum reimbursement for the specified procedure code. Covered individuals are responsible for the difference (if any) between the provider's charge and the Schedule reimbursement amount.

AT-A-GLANCE

Who is Eligible?

Employees, spouses, adult dependents, retirees, and children are eligible if you elect to have this coverage.

Instructions

Review the premiums found above and complete the appropriate sections of the Enrollment Form.

Using Your EyeMed Benefit

Quality vision care is important to your eye wellness and overall health care. Accessing your EyeMed Vision Care benefit is easy. Simply locate a participating provider, schedule an appointment, present your ID card at the time

of service, and the provider will take care of the rest.

Locating Your Doctor

Check the online provider locator at www.

eyemedvisioncare.com, choose the AC-CESS network for a provider near your zip code.

Once enrolled, visit: www.eyemedvisioncare.com, register by entering your email address and choosing a password to view coverage and eligibility status.

Value Added Discounts

Members will receive a 20% discount on items not covered by the plan at Network Providers. Members also receive 15% off retail price or 5% off promotional price for Lasik or PRK from the US Laser Network. Members receive a 40% discount off complete pair of eyeglasses purchased and an additional 15% discount off conventional contact lenses once the funded benefit has been used. Out-of-Network Providers

Once enrolled, members can access their out-of-network benefit by:

- 1) Downloading an Out-of-Network Claim Form from the yeMed Vision Care website, www.eyemedvision care.com, or by calling the Customer Care Center.
- 2) Make an appointment with an out-of -network provider you trust as your choice for vision care provider.
- 3) Pay for all services at the point of care and receive an itemized receipt from the provider office.
- Complete the out-of-network claim form and submit along with receipts to EyeMed Vision Care's claims department for direct reimbursement.

Long Term Disability

Administered by The Standard Insurance Company 1-800-759-8702 • www.standard.com

Monthly Prer	niums	
Option 1	60% of pay/180 days waiting period	\$ 6.35
Option 2	66 2/3 of pay/180 days waiting period	\$11.75
Option 3	66 2/3 of pay/120 days waiting period	\$14.66

AT-A-GLANCE

Long Term Disability (LTD) coverage can help protect your income in the event you become disabled and unable to work. Choices includes three LTD options designed to supplement other sources of disability income that may be available to you:

- 60% of pay, following six months of disability
- 66-2/3% of pay, following six months of disability
- 66-2/3% of pay, following four months of disability

The three LTD options differ in terms of the amount of your pay they replace; when benefits become payable; and premium costs. Employees may increase coverage during annual enrollment. However, the increase in coverage will be subject to a pre-existing condition exclusion for disabilities occurring during the first 12 months that the increase in insurance is effective. Any coverage existing for at least 12 months prior to the increase will not be subject to the pre-existing condition exclusion.

Employees on a leave status may not be eligible for long term disability coverage. Please consult with your Human Resources Department.

Important!

This is a brief summary provided to help you understand your coverage. Please review the group insurance certificate containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. This information can be found on the *Choices* website: *www.mus.edu/choices*. The controlling provisions will be in the group policy issued by Standard Insurance Company. Neither the certificate nor the information presented here modifies the group policy or the insurance coverage in any way.

Who May Enroll Employee Only

Amount of Benefit

Option 1: 60% of pre-disability earnings, to a maximum benefit of \$9,200 per month. The minimum monthly benefit is the greater of \$100 or 10% of your LTD benefit before reduction by deductible income.

Option 2: 66-2/3% of pre-disability earnings, to a maximum benefit of \$9,200 per month. The minimum monthly benefit is \$100 or 10% of your LTD benefit before reduction by deductible income.

Option 3: 66-2/3% of pre-disability earnings, to a maximum benefit of \$9,200 per month. The minimum monthly benefit is \$100 or 10% of your LTD benefit before reduction by deductible income.

If You Have Other Disability Income

The level of LTD coverage you select ensures that you will continue to receive a percentage of your base pay each month if you become totally disabled.

Some of the money you receive may come from other sources, such as Social Security, Workers' Compensation, or other group disability benefits. Your Choices LTD benefit will be offset by any amounts you receive from these sources. The total combined income will equal the benefit level you selected.

Basic Life Insurance:

Life insurance under Choices pays benefits to your beneficiary or beneficiaries if you die from most causes while coverage is in effect. Accidental Death & Dismemberment (AD&D) coverage adds low-cost accidental death protection by paying benefits in the event your death is due to accidental causes. Full or partial AD&D benefits are also payable to you following certain serious accidental injuries.

Who is Eligible for Basic Life/ AD&D:

Employee Only (May increase one level of coverage during annual enrollment, if you are eligible and are in an active work status)

Who is Eligible for optional Supplemental Life Insurance:

This is an employee only benefit. If you enroll for Optional Supplemental Life Insurance, your cost depends on your age as of July 1 and the amount of coverage you select, as shown in the following table. Remember, this cost is paid on an after-tax basis.

If you are not enrolling for the first time, other than new employees, you may increase one level of coverage during annual enrollment without having to submit evidence of good health - if you are eligible and are in an active work status. You may also increase coverage more than one level however, you will need to submit evidence of good health to the insurance company for the increase above more than one level.

Who is Eligible for Optional Dependent Life Insurance

Your spouse and unmarried child(ren) from live birth to age 25. Optional Dependent Life Insurance is designed to protect you against certain financial burdens (such as funeral expenses) in the event a covered dependent dies. You are automatically the beneficiary of any benefits that become payable. This benefit is paid with after-tax dollars. Employees may NOT cover other MUS employed family members. In addition, dependent children may not be insured by more than one member.

If you are not enrolling for the first time, other than new employees, you may increase one level of coverage during annual enrollment without having your dependent spouse submit evidence of good health, if you are in an active work status. You may increase coverage more than one level; however, your dependent spouse will need to submit evidence of good health to the insurance company for increases above more than one level.

Who is Eligible

Active employees eligible for MUS benefits are eligible for the Flexible Spending Account (FSA) Program (Optional Reimbursement Accounts).

After your initial enrollment (within 31 days of hire), there are limited opportunities to change your election during the plan year. Contributions can only be changed if you experience a family status change such as:

- marriagedivorce
- birth/adoption of a baby
- death of spouse/dependent child, or
- a change in employment status

Important!

The change must be consistent with the change in family status. For example, new dependents warrant increasing a medical FSA, not decreasing it. The change must be made within 63 days of the qualifying event.

How FSAs Work

Flexible Spending Accounts (FSAs) work very much like tax-favored savings accounts. You can enroll in a Medical FSA to pay for family medical expenses not covered by insurance and a Dependent Care FSA to pay for day-care expenses.

Expenses must be incurred during the plan year. This may or may not be the same time that you are billed or pay for the services or products. You decide how much money you want to deposit in the FSA for the benefit year. That amount is then divided by 12 to determine the monthly election amount.

Your selected amount is deducted from your paychecks in equal installments, first from any unused employer contribution, and then from gross pay (before taxes) and deposited into your FSA.

After you have incurred a qualifying expense, you will file a claim with FlexConnect, who will then reimburse you for the claimed amount. FlexConnect processes claims daily. An expense is considered incurred when the services are provided.

Use It or Lose It!

Any money not used for qualified expenses incurred during the plan year is forfeited. This is known as the "use it or lose it" provision of Section 125 of the IRS code. Therefore, be conservative and accurate when estimating expenses for the plan year.

The Medical and Dependent Care FSAs are separate accounts. If you enroll in both, you may not use funds deposited in the Medical FSA for dependent care expenses, or vice versa.

Getting Reimbursed

To be reimbursed for qualified expenses, submit a claim form and expense receipt(s) (ex: Explanation of Benefits or day care provider receipt) to FlexConnect either by fax, email or mail at the address listed on the claim form. FlexConnect will send reimbursement within 3 days of receiving your expense claim. Forms are available on the FlexConnect website.

Sign up for claims rollover with Delta Dental - any amount remaining after Delta Dental processes your dental claim, can automatically be transferred to ICMI to process through your medical FSA!

Tax Issues

Since you receive pre-tax treatment on the money you place in an FSA, you cannot claim the items reimbursed to you through an FSA on your tax return. On your tax return, non-FSA medical expenses are only deductible if they exceed 7.5% of your adjusted gross income. For most families, a Medical FSA provides more tax benefit. Please consult your tax advisor for more information.

Because day care expenses are typically much greater than predictable out-of-pocket medical expenses, Dependent Care FSAs typically generate the greatest tax savings.

Important!

Enrollment is NOT automatic!

Dependent FSA or Child Care Credit?

Generally, families with an adjusted gross income of \$28,000 or more will save more money with the flexible spending plan. However, you should check with your tax advisor concerning your circumstances. Any amounts reimbursed through the plan cannot be claimed through Child Care Credit.

Will a Medical FSA Account Help You?

Medical FSAs may be used to reimburse out-of-pocket medical expenses (expenses not paid by insurance) which are allowed as medical deductions by the IRS on your federal tax return. The full amount you elect for the plan year is available at any time during the plan year, even though the full amount is not yet collected.

If you answer "yes" to any of the following questions, and you pay income taxes, a Medical FSA can save you money.

- Is anyone in your family planning on getting a hearing aid, contact lenses or glasses, or laser eye surgery?
- Do you expect to pay deductible, coinsurance, or copayments under your medical and prescription drug insurance plans?
- Is anyone in your family planning on noncosmetic orthodontia treatment during the next year?
- Are you or another family member due for a crown or bridge work which requires a 50 percent copay?

Qualifying Health Care Expenses

For a list of qualifying health care expenses, refer to IRS Publication 502. Some examples include:

- Eye exams, contact lenses, glasses,
- Dental exams, cleanings, fillings, crowns, braces
- Chiropractic care
- Prescription drugs
- Hearing aids and exams
- Routine doctor visits
- Copays & deductibles
- Over the counter medications such as Prilosec, aspirin, and antacids.

Ineligible Health Care Expenses

- Insurance premiums
- Warranties
- Service agreements
- Cosmetic procedures or products
- Health club dues
- Vitamins and herbs

Do You Qualify for a Dependent Care FSA?

The costs of child care and the care of dependent adults unable to care for themselves are very predictable. That predictability helps you determine how much money to put into a Dependent Care FSA. Under governing IRS statutes, the child care necessary for you and your spouse (if married) to work or attend school full time could be reimbursed from a Dependent Care FSA under the following circumstances:

- The amount to be reimbursed must not be greater than your or your spouse's annual earnings, whichever is lower.
- A dependent child must be younger than 13 and dependent upon you for at least 50 percent of his/her financial support. Care may be provided either inside or outside your home, but may not be provided by anyone considered your dependent for income tax purposes, such as an older child.
- A dependent adult must be physically or mentally incapable of caring for himself or herself and must be dependent upon you for at least 50 percent of his or her financial support. Care may be provided either inside or outside your home. However, expenses outside your home are eligible only if the dependent regularly spends at least eight hours each day in your household.

Unlike the Medical FSA, Dependent FSA claims are reimbursed only after contributions have been deposited in the account.

Qualifying Day Care Expenses

For a complete list of qualifying day care expenses, refer to IRS Publication 503. Some examples include:

- Day care centers (must comply with state and local laws)
- Baby-sitters
- Preschool (before Kindergarten)
- General-purpose day camps

Ineligible Day Care Expenses

- Food or transportation
- Activity fees
- Education expenses (Kindergarten or higher)
- Overnight camps (including daytime portion)
- Private school tuition (Kindergarten or higher)

Benny™ Debit Card

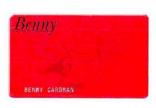

Participants in the Medical FSA may now choose to use a debit card to pay for services at the "point of sale". FlexConnect provides the BennyTM Card to use with the medical flex account.

Keep your card!! It is reloaded at the beginning of the year with your new Medical FSA election amount.

When you use the debit card, the funds are automatically deducted from your Medical Optional Reimbursement Account. You are required to keep all itemized bills and/ or receipts. If the item cannot be automatically substantiated, FlexConnect may contact you for a copy of the receipt.

There is a \$10 set up fee for the card and **NO** monthly processing fee. In year one, the charge for use of the card will be \$10. Indicate your interest at the time of benefit enrollment or you may elect to get a card at any time during the year. The total annual charge for the card will be deducted from your flex account at the beginning of the plan year or at any other time you choose to get a card.

Log onto and view your account balance, claims, and deposit activity 24/7 on our website at: <u>www.insurancecoordinators.com</u> for more information! Fax, email or mail your claim forms to: FlexConnect Fax: 406-495-3669 P.O. Box 2019, Helena, MT 59624

AT-A-GLANCE

Unexpected events, such as accidents or illness, can catch us off guard at any age, any time. This can often lead to financial and emotional hardship. Many believe that our health insurance covers long term care situations when, in most cases, it does not. We may be left thinking we should have planned better. Long Term Care Insurance is designed to pick up where our health insurance leaves off. You may never need long term care. However, this year about nine million men and women will need long term care. By 2020, 12 million Americans will need long term care. Most will be cared for at home. A study by the US Department of Health and Human Services indicates that people who reach age 65 have a 40 percent chance of entering a nursing home. About 10 percent of the people who enter a nursing home stay there five years or longer. The Montana University System offers the opportunity to purchase Long Term Care Insurance from Unum Life Insurance Company of America a subsidiary of Unum Provident.

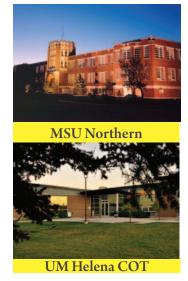

New employees can enroll in LTC within 30 days of employment without demonstrating evidence of insurability. Continuing employees, spouses, retirees, and grandparents can enroll in our group LTC insurance with medical underwriting at any time. During this open enrollment period, employees who missed the opportunity when they were hired may purchase for the first time.

Who is Eligible

Employees, retirees, spouses, parents, and parents-in-law are eligible for the Long-Term Care Insurance Plan. This plan may be elected, changed, or dropped at anytime.

Enrollment

If you would like to sign up for the Long Term Care Plan, contact your campus Human Resource Department for an enrollment kit.

Our mission is to help our plan members stay healthy by providing and incentivizing preventive health screenings, healthy lifestyle education and support, and disease prevention/management programs.

Overview

The Montana University System (MUS) Benefits Plan offers Wellness services to insured adult plan members (faculty, staff, retirees, and spouses) regardless of which medical plan you choose (Allegiance, BCBSMT, New West, or Peak). Each of the twelve campuses has a Wellness director/coordinator and some offer classes or services in addition to those listed below. New programs or services are added annually.

WellCheck: Every campus conducts annual, semi-annual, or every other year health fairs, called WellChecks. The lab tests listed below are always available at WellCheck, as well as a variety of additional free or discounted health screenings. See next page for the 2010/2011 WellCheck schedules.

 Online Registration: Online registration is now required on all campuses for WellCheck appointments. Website: <u>www.montana.edu/wellness</u>, select Online Registration. No computer - call campus Wellness.

Year-round Blood Draws: Lab tests are available in Bozeman by making an appointment via online registration; and Billings, Butte, Havre and Missoula by calling your Wellness Coordinator for an appointment. Subject to \$5 lab fee.

Lab Tests:

- Chemistry Screen: \$20 at WellCheck (\$25 at Year-round Blood Draws see above)
- PSA (Prostate Specific Antigen): FREE every plan year to men over 50 or \$25
- CBC (Complete Blood Count): \$16
- Cardio C-Reactive Protein: \$34
- Hemoglobin A1c: \$30

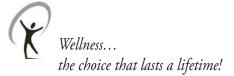

NEW • Vitamin D: \$39

The costs incurred for Wellness lab tests cannot be submitted for insurance reimbursement. They can, however, be submitted to your MUS flexible spending account or Montana medical savings account. **Blood Pressure Screenings** are available FREE to any plan member. Call your campus Wellness Coordinator for dates and locations (most offer at WellCheck and on-campus).

Colon Cancer Screenings are recommended annually to those 50 and older. New and improved colon cancer kits are available at WellCheck only. Colon Kits: \$10.

Flu Shots are offered FREE in the fall, subject to national vaccine availability. Contact your campus Wellness office for dates and locations.

Dependent Premium Waiver (DPW)

Purpose

Theses guidelines are placed in the Enrollment Workbook to assure consistent application of the dependent premium waiver program for eligible plan members.

Eligibility

All employees who are eligible for benefits under the MUS health insurance plan and who enroll their qualifying dependent child(ren) for medical coverage may elect to receive the dependent premium waiver provided they meet the following requirements:

- the employee's annualized salary paid to them by the Employer is no more than \$30,000.00. Annualized salary is determined either by multiplying the base hourly wage plus any longevity increment by 2,080 or by multiplying the monthly salary by 12 and dividing by the employee's established full time equivalent (FTE); and
- the employee is in a pay status or the employee is in a leave without pay status wherein the Employer's contribution towards health insurance is continued.

Application

An eligible employee will normally elect to receive the dependent premium waiver benefit during the annual open enrollment period. An employee who becomes eligible for the waiver outside the annual open enrollment period because of a qualifying change in status or due to a change in salary may receive the benefit provided the employee makes the change in circumstance known to the Campus Human Resources Office.

An employee receiving the benefit must maintain coverage for the eligible dependent child(ren). If the child or children do not meet the requirements for dependent status as outlined in this document, the dependent premium waiver benefit will be immediately discontinued. In no case can the dependent premium waiver be applied to the spousal/adult dependent premium.

An employee who receives an adjustment to wages which results in the annualized salary exceeding the established threshold amount will remain eligible to receive the dependent premium waiver for the remainder of the benefit year in which the wage adjustment takes place.

Traditional Plan A Members Keep in Mind

Members who have selected the Plan A option must be aware that the facilities listed above are the in-network facilities. Non-emergent services received at any other facility will be processed as out-of-network, subject to a separate deductible

and a separate coinsurance maximum. Prior to receiving services, check with Allegiance, as some professional providers (doctors, therapists, etc.) may have elected not to participate in-network and, as a result, those services would also be processed as out-ofnetwork.

Remember that in addition to the separate deductible and separate coinsurance maximum, out-of-network providers may balance bill for any differences

between allowance and charge. Emergency services

and services that are not offered by an in-network provider will be covered on the in-network benefit.

Out of State

There is a specific travel network for elective/non-emergent services. Please contact Allegiance Customer Service at 1-877-778-8600 for assistance with this travel network.

All Plan members are eligible to utilize the Quality Care Choices programs, regardless of which medical plan choice the member made (Allegiance, Blue Cross, New West, Peak). Quality Care Choices programs are designed around the specific needs of our Plan members. For more information regarding specific Quality Care Choices programs and enrollment processes, please access our Choices website at www.mus.edu/choices or call the Montana University Systems Benefit office at 1-877-501-1722.

Availability of the MUS Summary Plan Description

All Montana University Sysem (MUS) plan participants have the right to obtain a current copy of the Summary Plan Description (SPD). Despite the use of "summary" in the title, this document is the full legal description of our medical, dental, and pharmacy plans and should always be consulted when a specific question arises about the plan.

Participants may request a hardcopy of the SPD and amendments describing the MUS managed care plans by visiting, writing, or calling their campus benefits office, or by writing to MUS Benefits, P.O. Box 203203, Helena, MT 59620-3203, or by calling the MUS Benefits Office at 406-444-2574, toll free 877-501-1722. Participants should know which medical plan they are enrolled in when calling or writing so that the correct amendment, if any, can be sent. An easier way to access this information for many participants is to visit the MUS website at www.mus.edu/

choices. Using the FIND function on your computer will help you to locate the section you need quickly.

All participants are given or mailed a copy of the CHOICES Enrollment Workbook or Retiree Workbook each spring during the annual enrollment period. These workbooks list the various required and optional programs available, and their premiums. We encourage participants to retain this book until it is replaced the following year, as it provides most of the information needed by participants and their families to properly utilize their benefit plans. If additional information is needed after referring to CHOICES enrollment book or the SPD, either the campus benefit office or the MUS Benefits Office should be able to help. Also, many problems can be resolved by contacting the customer service department of the appropriate program administrator.
